

## Tau SWIR SIC-200 End of Life (EOL) Announcement

This announcement by FLIR Systems, Inc. (FLIR) applies to FLIR's **Tau SWIR SIC-200** Shortwave Infrared (SWIR) camera. Cameras affected by this announcement are those with the following part numbers:

- 43-ICA-SIC - Tau SWIR SIC-200 Commercial
- 43-IPA-SIC - Tau SWIR SIC-200 Performance
- 43-IIA-SIC - Tau SWIR SIC-200 Industrial

The **Tau SWIR SIC-200** is a reduced performance camera specifically designed for the silicon inspection market. Following the change of US export regulations in 2017, FLIR has reclassified the full featured **Tau SWIR** as now under US Department of Commerce control. Accordingly, all market needs can now be met with full featured product and FLIR has decided to obsolete the **Tau SWIR SIC-200**.

This announcement is effective immediately. Customers should be directed to the **Tau SWIR**. Support for the **Tau SWIR SIC-200** installed base will continue as long as the full featured **Tau SWIR** remains as a supported product.

FLIR understands that local laws, market conditions, and support requirements differ around the world and differ by industry sector. Therefore, FLIR may offer custom support relationships that go beyond the End of Support Date. Existing **Tau SWIR SIC-200** customers can contact their FLIR sales representative or support team for more information, and customers under contract will continue to receive support as agreed.
